Participants

- Avocado (@ Gabriel Ting @ Andrew Xie @ Prayag Rawat @ William Feng @ amandaliu120)

Goals

- Milestone 3 decisions

Discussion Topics

Item	Notes

Progress Updates
 	
- Increased coverage for Milestone 2
- Read spec for Milestone 3
	- Prayag
	  - Added extra tests
	- Amanda
	  - Uncomment failing tests
	- William
	  - Fixed bugs
	- Andrew
	  - Added functionality
	- Gabriel
	  - Initiated stubs

Decisions for Milestone 3	- Coverage > functionality for milestone 3 - Everyone work on things together rather than having issues merging everything together - Lessons learnt from milestone 2 - Start earlier and try to avoid last minuting everything
